Pray and Fast for the Climate

'Pray and Fast for the Climate' is a movement of Christians (supported by many organisations including Tearfund and Christian Aid) who have committed to praying and fasting for climate justice on the first day of each month.

Please do join us if you believe that Christians owe it to future generations, and those already impacted by climate change, to respond to the climate crisis. We trust that God will use our prayers to influence politicians, build a powerful platform for change, strengthen our campaigning and inspire others.

Fasting need not mean fasting completely for 24 hours. If you feel led to take part in Pray and Fast for the Climate, do what is right for you. Anna Sibbald
