

Preaching Programme across our Linkage

APC is linked with Grantully, Strathtay & Logierait and with Dull & Weem Parish Churches of Scotland.

Each congregation has a service every Sunday morning except on the first Sunday of the month, when a joint service takes place at 10.30am at one of the churches.

To see what's on in APC, check the 'What's on' and 'This Sunday' section on the website.

Service times may vary.
Please refer to the individual church's website for details
